OVER-NIGHT ASSOCIATED PRESS CABLE To the Advertiser

VERA CRUZ, Mex., Dec. 28.—Official warning has been sent from here by representatives of the United States, believed to be from Special Envoy Lind, to all Americans now in Tampico, that if they take part in any of the engagements, either on the side of the federals or the rebels, they need expect no assistance from the American marines now stationed in Mexico or in the United States warships in contiguous waters. It is believed here that this means they will be left to whatever fate either side decides to deal out to them in case of their capture.

LAREDO, Tex., Dec. 28.—News was received here this evening that a battle may soon be fought across the river from this city when 4000 rebels attack the 1200 federals now holding the town of Nuevo Laredo.

CHIHUAHUA, Mex., Dec. 28.—Gen. Pancho Villa refused this evening to go into any details regarding a possible peace or truce between the warring factions in this republic, stating that nothing will satisfy the constitutionalists but the complete fall or imprisonment of President Huerta. "Only the final elimination of Huerta as a factor in the government will be considered in any preliminaries for peace," said General Villa.

SPRINGFIELD, Mo., Dec. 28.—Wholesale discharges of employees are the order of the day on the St. Louis & San Francisco Railroad, with headquarters here. Notice was given to 400 railway telegraphers that their services were no longer required. This action is said to be taken in anticipation of a strike on the company's line, and the work of installing a railway telephone service is now under way to meet the expected emergency.

TRINIDAD, Colo., Dec. 28.—While a number of deputies were guarding a bridge here today, fearing damage from strikers, they were fired upon by the strikers and one of the guards was killed and another one wounded.

CALUMET, Mich., Dec. 28.—In procession through the streets of this city there proceeded today a parade of woe and sorrow when 14 hearses, three wagons and several automobile trucks, loaded with 59 coffins, passed between crowds of thousands of persons who stood along the snow-lined streets or joined the procession to the snow-enshrouded cemetery.

It was the funeral of some of the victims of the cry of "Fire!" raised at the pre-Christmas entertainment in a local hall. The members of the Western Federation of Miners took full charge of the funeral and insisted upon paying all expenses, in spite of the large relief funds which have flowed in for the families of the victims.

CHICAGO, Dec. 28.—Action was taken at meeting of the Chicago Federation of Labor, held in this city today, to carry before Congress the conditions which the unionists assert prevail in the Michigan copper district, especially in and about the city of Calumet.

GULFPORT, Miss., Dec. 28.—While a large crowd was waiting in front of the church at Pass Christian, where President and Mrs. Wilson spent Sunday, the president and his wife, accompanied by Doctor Grayson, managed to elude the gathering and came to this city, where they attended church services.

WASHINGTON, Dec. 28.—From all over the world came messages today from crowned heads and prominent men congratulating President Wilson upon attaining his 57th anniversary.

WASHINGTON, Dec. 28.—Surgeon-General George Henry Torney, U. S. A., died in this city last evening as a result of a severe attack of pneumonia. General Torney was 63 years old at the time of his death. He was a graduate of Carroll College, Maryland, and was appointed assistant surgeon-general in the army in 1871. He became surgeon-general of the army on January 14, 1909.

CHICAGO, Dec. 28.—Analysis of statistics recently compiled in this country shows that drunkenness is responsible for 45 per cent of the domestic unhappiness here during the past year. The data upon which this estimate is based has been largely collected from the divorce courts.

OAKLAND, Cal., Dec. 28.—Roy Melville, the bandit who escaped from San Quentin prison a few days ago, held up a citizen in this city last evening, as he was walking along a lonely street, and relieved him of his coat and trousers, making his escape in the stolen garments. Melville was serving a sentence of 25 years for robbery.

SAN FRANCISCO, Dec. 28.—With the arrest of three men at Richmond, near here, yesterday, it is believed that a plot to destroy the Selby smelters has been frustrated. There have been some labor troubles there for quite a time.

The three men were in the act of boarding a sailboat at the time of their arrest, and in the boat were found an infernal machine, firearms and a quantity of explosives.

BALTIMORE, Md., Dec. 28.—Congressman R. G. Bremner of New Jersey, Democrat, is in favor of free growth on the left shoulder.

FILIPINO TO BE HANGED FOR BRUTAL MURDER

[Special Star-Bulletin Correspondent] HILO, Dec. 28.—Simplicio Javelana will have the death sentence pronounced on him tomorrow for the murder of a woman with whom he lived for some months. The trial jury has brought in a verdict of guilty in the first degree, which calls for a penalty of death under the territorial criminal statutes. Javelana is a Filipino. The details of the murder are so terrible and the part he played in it was so evident that his attorney elected not to put on a defense, adopting as the best course the insinuation of the unwritten law in the case. In the trial it was brought out that one evening after Javelana and the woman had separated, he stole to the home where she was living, crept through the window, waited until a late hour, then found his way to the bedside of the woman, where he first beat her mercilessly, then slaked her over the body with a knife. She died shortly afterward. This is the first time in eight years a jury here has brought in a verdict of murder in the first degree. Judge Parsons will pronounce the sentence.

DID CHILD WAKE UP CROSS OR FEVERISH?

Look Mother! If tongue is coated give "California Syrup of Figs" to clean the bowels.

Mother! Your child isn't naturally cross and peevish. See if tongue is coated; this is a sure sign, its little stomach, liver and bowels need a cleansing at once.

When listless, pale, feverish, full of cold, breath bad throat sore, doesn't eat, sleep or act naturally, has stomach-ache, diarrhoea, remember, a gentle liver and bowel cleansing should always be the first treatment given.

Nothing equals "California Syrup of Figs" for children's ills: give a teaspoonful, and in a few hours all the foul waste, sour bile and fermenting food which is clogged in the bowels passes out of the system, and you have a well and playful child again. All children love this harmless, delicious "fruit laxative," and it never fails to effect a good "inside" cleansing. Directions for babies, children of all ages and grown-ups are plainly on the bottle.

Keep it handy in your home. A little given today saves a sick child tomorrow, but get the genuine. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," then look and see that it is made by the "California Fig Syrup Company." Counterfeits are being sold here. Don't be fooled!—advertisement.
